Is it sweet?

Wow! What a delicious looking photo!

I'm about 71% certain that the food in your image is not sweet!

Is it sweet?

Wow! What a delicious looking photo!

I'm about 75% certain that the food in your image is not sweet!

Is it sweet?

Wow! What a delicious looking photo!

I'm about 64% certain that the food in your image is not sweet!

Is it sweet?

Wow! What a delicious looking photo!

I'm about 87% certain that the food in your image is sweet!

Future Work

- Make it pretty!
- Launch on the web.
- Find a cleaner Dataset.
- Use Nutritional Database to be able to classify as “Nutritious”/“Not Nutritious”

THANK YOU!

Wow! What a delicious looking photo!

I'm about 96% certain that the food in your image is sweet!

Is it sweet?

Wow! What a delicious looking photo!

I'm about 100% certain that the food in your image is not sweet!
